MEMORANDUM

Newsletter Update

We've decided to hold off on this week's newsletter, as we have two important events coming up:

4. **Book Week** this Friday in Willaura
5. **Landcare Cluster Day** on Monday in Moyston

We'd like to include coverage of both in our next edition. So, look out for a **big newsletter on Friday, 29th August!**

In the meantime, we wanted to make sure you have the **upcoming dates** on your calendar, just in case.

We hope everyone who's been feeling unwell over the past week is starting to feel much better. we know it's been a tough time for some families. The flu season can be especially challenging, take care, get plenty of rest, and we look forward to seeing everyone back on their feet soon!

We are Looking for these items for Art/EBT projects, if families have some around home that their happy to donate.

1. Magazines
2. Yarn/wool
3. Glass bottles & jars.
