Principal's Report

Term 3 has started off very well. Last week we had our Parent/Teacher interviews. All parents seemed to be very happy with the academic progress of their children. What was really terrific was that all children in the school were able to take part in the interviews. That's a first for me in over 25 years of teaching, so thank you everyone.

We also had our cluster day at Moyston on Tuesday. All grades had a Life Education session of different, age appropriate topics, and everyone had a great day. These events are so important for the children in terms of making friends outside of our school, in preparation for camps, excursions and secondary school.

Life Ed Cluster Day - Moyston

We did weaving. I had fun.

Maggie

We did bowling and Blake and a man with a beard helped us to do it. The man with the beard taught my dad at school.

Tess

Yesterday at Moyston it was a cluster day. We did web weaving. The things we used was icy pole sticks and wool.

Sophie K

Yesterday we went to Moyston and my favourite thing was Art. In Art we made French Knitting. All we needed was a toilet roll, icy pole sticks and wool. At lunch I played footy and the teams were Maroona vs Moyston.

Billy

At Moyston we did weaving.

Sophie H

We did weaving and it was fun.

Ohara's Last Day

Due to the relocation of her family, Ohara will be having her last day at our school on Monday, 24th July. Ohara has been a great little personality at our school, and she will certainly be missed.

I'm sure all of our school community join me in wishing Ohara and Hilawe all the very best in their new life in Ballarat.
